

Trinity PFA ELF Trail 2020

Welcome

Trinity PFA (Trinity parents and friends association) presents to you a Christmas elf trail.

Santa's elves have been up to mischief and have run away with the password for Santa's computer and now he can't get onto his naughty or nice list!

Can you find the buildings marked on the trail map to help Santa unscramble his password and get the elves home in time to save Christmas?

Please adhere to the following important rules:

Only participate in your family group

Supervise children at all times

Observe social distancing between other groups

Do not meet or gather in groups other than your own household

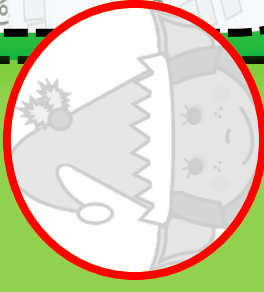

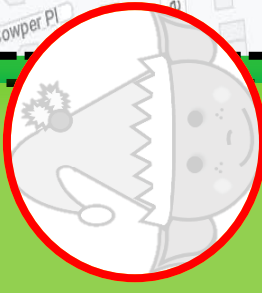

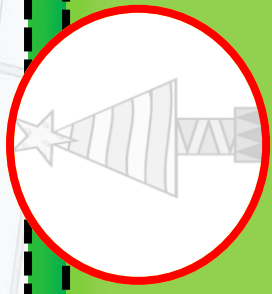

Observe caution crossing roads, especially at night

Have fun!

Return your completed entry to trinitybuckshawpfa@gmail.com or via Facebook messenger for free entry to a prize draw.
